

Welcome to Carisbrooke

Carisbrooke Castle on the Isle of Wight has seen invasions and battles, defended the nation, been a prison to a king, and home to the rich and Royal. History is brought to life as actor Colin Carmichael (of TV ad fame) leads us on an entertaining romp through 10 centuries to the modern day - the battle of Hastings, the 'Queen' of the Isle of Wight, Peter and his well aimed arrow, ill-fated King Charles I, and Queen Victoria's youngest daughter... British history told in a warm-hearted and humorous style that will surprise, inform and fascinate you.
